### **Fear Stops Us:**

- 1. Don't wait for the gifts to become obvious before you start using them.**
- 2. Don't become so preoccupied or distracted with some substituting action that you never get to express what you were meant to do.**
- 3. Don't put off till tomorrow what you could have done today.**
- 4. Don't be trying to keep up with the Joneses.**
- 5. Don't let the crowd tell you otherwise than what God has called you to do.**
- 6. Don't become so enrolled in all that you can't do, that you end up doing nothing.**
- 7. Don't depend solely on self and leave the Holy Spirit out.**
- 8. Don't allow the size of the mountain to climb, leave you giving up before even starting.**
- 9. Don't let setbacks and criticism stop you in the race you're running.**

### **Faith Gives Us Confidence to Move Forward.**

- 1. Focus on God and what God is calling you to do.**
- 2. Remember who you are in Christ, His child.**
- 3. Focus on the promises you have been given.**
- 4. Keep developing the gifts you have been given.**
